APPARENTLY THIS FIRST PDF PLUGIN OPTION ALLOWS DISPLAY OF A BUNCH OF CODE I DON'T EVEN SEE/CAN'T FIND IN THE THEME BUILDER. THIS IS A PROBLEM. FURTHER PDF PLUGIN TESTS WILL OCCUR LATER.

This is where our nice with logo and nice formatting WhitePaper will reside. It comes complete with the lovely PDF and Print options at the top of the page for those who care to view it later offline.

A whole bunch of stuff will no doubt go in here...once tech details are more clear.

This is a test. This ends the test :D
